

## Greater Mobility - Renasant Rolls Out Enhanced Mobile Phone Banking

July 1, 2010

TUPELO, Miss., July 1 /PRNewswire-FirstCall/ -- Renasant Bank today announced that it is officially rolling out its Enhanced Mobile Banking to its online banking clients. Mobile banking gives Renasant clients the freedom to easily and securely access balance information, pay bills, transfer funds, view check images and much more from any mobile phone.

"Renasant's Enhanced Mobile Banking is easy, fast and convenient. By going to [www.renasantbank.com](http://www.renasantbank.com) on any phone's web browser, Renasant clients can access Renasant Enhanced Mobile Banking," said Jim Gray, Renasant's Chief Information Officer. "To access Renasant Enhanced Mobile Banking, Renasant clients use the same username and password as they would for their online banking. Best of all, Renasant Enhanced Mobile Banking is free to all Renasant clients."

### **Renasant Enhanced Mobile Banking is not just for phones with web access.**

If Renasant clients do not have a web enabled mobile phone, they may still receive balance and recent transaction information via text messaging. Text banking allows Renasant clients to quickly request and receive account balances and recent transaction history via any mobile device's SMS text messaging service using a short code and a set of commands.

Renasant will not charge clients to use this service; however standard carrier fees for text messaging may apply. Renasant clients should check with their wireless carrier if not sure what fees apply when sending and receiving text messages.

### **Features of Renasant Enhanced Mobile Banking:**

- Access personal deposit and loan accounts
  - Account Summaries
  - Account Transaction History
  - Check Images
- Pay bills anywhere, anytime with Bill Pay
  - View due bills
