## ***Renasant Announces Memphis Headquarters Opening***

**MEMPHIS, TN** – Today Renasant announced that its new Memphis-market headquarters located at 5575 Poplar Avenue is opening its doors on Monday, August 2, 2021, with its Grand Opening to follow in late September.

Grinder, Taber & Grinder Inc. is the contractor on the project, and LKR is the architect who managed construction on the three-story, 45,000-square-foot facility. Renasant plans to occupy 30,000 square feet of the building and will lease out the extra space.

"Our new Memphis-based headquarters is a testament to providing exceptional service to our current and future customers," said Daniel Reid, West Tennessee President of Renasant Bank.

"We embrace meeting the needs of the communities we serve with both digital technology and a convenient location."

The new headquarters will house executive and administrative offices, community and commercial banking, mortgage, private client, and treasury management services along with a

"state-of-the-art" banking center. This banking center includes an Interactive Teller Machine that allows customers to conduct transactions via video conferencing at the drive-thru.

Initially housing 62 employees, the new office provides plenty of room for future growth.
