Renasant Announces New Downtown Decatur Office

DECATUR, AL – Today Renasant announced plans for a new Decatur location that will serve as headquarters for its Decatur/Morgan County market. Located at the intersection of Lee Street and Highway 31, the location will offer commercial banking, mortgage, private client, treasury and investment services.

Renasant operates three offices and holds approximately \$380 million in deposits in Morgan County.

"We wanted to create a new entrance into Downtown Decatur with a new, state-of-the-art banking center that will continue to meet and exceed the financial needs of our current and future clients," said Tim Lovelace, Renasant's Decatur Market President.

This location will be the centerpiece of the new Sixth Avenue Streetscape project recently approved by the City of Decatur.

"I can't think of a better way to celebrate the completion of our Sixth Avenue corridor revitalization than with the new downtown Renasant location serving as the centerpiece. The facility will provide a state-of-the-art banking facility for our residents, while offering a host of amenities to our guests, including a rooftop terrace. We welcome this new Renasant location with open arms," said Tab Bowling, Mayor of Decatur.

Fite Building Company is the general contractor, Fuqua & Partners is the architect, and Pugh Wright & Associates is the civil engineer for the two-story 7,700-square-foot banking center.
